Program Description: Come play with us! Early learning activities include arts and crafts, dramatic play, sensory play, games, songs and stories will be featured during this drop-in program. It is facilitated by qualified EarlyON Facilitators who are happy to answer questions about early learning and child development, parenting topics, and can provide additional information about other community programs and services. This is also an ideal opportunity for parents and caregivers to connect with others for social and community support.

Pre-registration for the program is *no longer required*, but we will help get you set up with an EarlyON account so you can access all of our free programs going forward!
